

Wyoming Aviation Maintenance Seminar

This free eight hour educational event is open to all aviation maintenance professionals and qualifies for both IA Renewal credit IAW FAR 65.93(a)(4), as well as eight hours towards an AMT Award for those eligible.

Directions: From I-25, take the 188a exit and turn south onto N. Center Street, continuing south to 1st Street. Turn east and proceed one block to S. Wolcott Street, then head south on (for about a mile), which will become Casper Mountain Road after you pass College Drive. Continue on Casper Mountain Road, past the next two access roads onto the campus (Campus Dr. and T Bird Dr.) to the third and final entrance onto campus, which has no street name. As you enter the campus, take the turn immediately to your left, then turn left again (just as the road curves) into the McMurry Career Studies Building parking area. Parking and building entry for this event is on the south side of the building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
